

Dear Supporter;

The CSCC is entering its 45th Anniversary **SEASON**. As the song implies our seasons are seasons of **LOVE** and made up of many magical *minutes*. We have embraced changes in relation to the GOOD we have continued to do while regarding our changing world. Just as spring, summer, fall and winter present different challenges SO DO THEY present varied opportunities. CSCC has embraced the opportunities even amidst one of the most challenging years in our long history. We continue to provide quality, meaningful program to our young musicians through hybrid programming ENSURING that personal growth and love always be the guiding principle. JOIN US as we continue to serve the Pikes Peak region with musical excellence and great young people! We are excited to be bringing back more in-person performances, outreach to schools, and community service in this upcoming season.

Our supporters are being presented with a choice of two options for your significant gift-regardless of either option-your gift is **CRITICAL** to keep our organization alive and at the top. THANK YOU FOR INVESTING IN KIDS DOING GREAT THINGS!
