## Did You Know?

- The Colorado Springs Children's Chorale, founded in 1977 as a civic children's choir, has grown from one choir of 25 singers to the Choral Academy training department, three ensemble performance division choirs, a satellite choir on the west side of Colorado Springs, and two preparatory classes involving over 200 youth in grades K-12 from throughout the Pikes Peak region.
- Our singers have represented Colorado Springs all over the world where they share their "dreams of a better world through song" with audiences from all over the globe and participated in service projects to help make that vision real.
- Chorale programs reach thousands of youth each season through our SoCo In Harmony Festival, School Blitz days, Adopt-A-School program, High Altitude Youth Choir in Manitou Springs, and outreach tours and festivals in small Colorado communities.
