Dear Pikes Peak & Summit Families:

It's time for our annual Holiday Fundraiser! As you will see in the enclosed brochure and order form, we have decided to once again take advantage of the wonderful products that our very own Colorado merchants have to offer, with a few traditional "oldies but goodies" thrown into the mix. These treats make perfect gifts for your office staff and teachers, wreaths and poinsettias for your church, or they are a delicious treat for your holiday guests.

Special benefits for each singer who sells!

- ✓ **Singers receive 40% of the profit credited to their Holiday Fund Account.**
- ✓ Apply the funds to tuition and uniform expenses now, or save them to build a substantial account to pay towards future tour fees which could range in cost from \$2000-\$6,000.
- ✓ Funds carry over from year to year as long as your child is in Chorale (Balances are non-refundable should your singer leave Chorale.) **Funds can be passed to other Chorale singers in your family too!**
- ✓ Some touring singers were able to earn up to half of their touring expenses through the holiday fundraiser!
